ANSWER TO ENIGMA No. 12:
REX REGUM, DOMINUS DOMINORUM.

We have no control over the Puzzlers' Corner. Contributions to it, if sent with proper answer and the author's name, will be handed over for inspection, and if accepted will appear as soon as convenient.

Governor Woodson has appointed Hon. B. Napton Judge of the Supreme Court, to fill the place left vacant by the death of Judge Ewing. No better appointment could have been made. Judge Napton occupied this position for some years prior to 1863, when he left it on account of the political affairs at that time. His eminent abilities in his profession have made him a national reputation.

BUFFALO NURSERY.

BROTHER FARMERS don't forget that our eastern neighbors are feeding apples to stock with good results, whilst we have only a scanty supply for family use. Also the eastern farmers have their barrels of cider and an abundance of the best apple vinegar, and here either is a rarity with the majority of families. And yet we most all cultivate more land than is profitable and have often an abundance of waste and worn out lands that could be made profitable if set in trees, besides improving the condition of the land.
Being overstocked with winter fruits, especially janneting and New York red pippin or Ben Davis, I will sell this spring by the 1000 at \$75 and by the 500 at \$45.00. Price by the doz. and 100 w'l be the same as before, per doz. \$1.50, per 100 \$11.50, will sell Hughes' elder crab per 50 at \$4.00, per 100 \$7.00, per 1000 \$60.00, pear, cherry and plum trees each 60c, \$4.00, per doz. Concord grape one year old first class each 10 ct, per doz. \$1.00, per 100 \$5.00, per 1000 \$50.00, bearing vines each 25 ct, per doz. \$2.50, per 100, \$25.00. All other stock about the same as last spring.
